You must visit in person. Once they have an animal in their possession, they only hold it 48 hours before killing it, even if it has tags on. **DO NOT GIVE UP.** Remember, people may take in a stray temporarily while they look for the owner before taking it to ACS. People have found their animals 2-3 months after they went missing, because they did NOT give up and were faithful in going down there to look in person. For directions to ACS - call 210-207-6650. In addition, ACS posts a few photos on their lost pet website:
